

Budgie Care Referral Information Sheet

What this sheet is for

Use this guide before contacting Budgie Care so the first conversation can stay clear, practical, and respectful.

This is not a clinical intake form. Share only the details needed to decide the next step.

Helpful referral details

- Participant name and preferred contact person.
- Preferred phone or email contact details.
- NDIS plan context, if the participant is comfortable sharing it.
- Main support goals and routines.
- Preferred language, culture, communication, or access needs.
- General availability and service area.

First enquiry pathway

- Send the website enquiry or email Budgie Care directly.
- Budgie Care reviews the request and checks whether the service may fit.
- A follow-up conversation can clarify goals, availability, and next steps.

Privacy reminder

Please avoid sending sensitive medical reports, identity documents, or full plan documents through the first website enquiry.
